

the **DIGITAL CHANNEL**
The Latest in Online & Mobile Banking from **Connexus**
Credit Union

A quarterly summary of recent and planned innovations designed to enhance your digital banking experience.

Use it now...

[User Guide](#)

Quick Login

Now, quickly log in to the Connexus app with an easy 4-digit PIN (iOS and Android) or simply with your fingerprint (iOS).

Look for it soon...

[Preview](#)

New Dashboards

Enhanced desktop & mobile dashboard designs will streamline navigation and allow greater visibility to your info.

[Preview](#)

Quick Transfers

An additional navigation option will allow you to easily transfer funds between your accounts in mere seconds.

[Preview](#)

Multifactor Authentication (MFA)

An alternative to using login security questions, MFA will provide simpler options to verify your identity for quicker account access.
