Connexus Credit Union Named the Best Online-Only Bank of 2017

Wausau, WI (December 30, 2016) – Connexus Credit Union received the Gold Award and was named The Best Online-Only Bank of 2017 by TopTenReviews.com, a popular review website.

Connexus President and CEO, J. David Christenson, said this is a testament to everyone at Connexus that helped put the credit union in this position. “We’ve put a lot of our focus into our online and mobile service technologies, to ensure everything we do is safe, secure, and as easy as possible for our members. While we’re honored to be recognized in this category, it’s important to note that Connexus is a member-owned credit union committed to delivering exceptional service online, across 9 branches, and through a dedicated Member Contact Center,” he said. “I couldn’t be prouder of the outstanding people we have working here, and I look forward to the expanded offerings we have planned for our members in 2017.”

TopTenReviews.com said it spent “20 hours comparing the rates and terms of 10 different online banks.” The review site took three areas into account: Interest Rates, Services, and Security & Support. After tallying the scores for each financial institution within those three areas, TopTenReviews was able to declare Connexus their sole Gold Award recipient.

Each of the three areas TopTenReviews considered were given a score from 1 to 10. Connexus received an 8.75 for Interest Rates, a 10 for Services, and an 8 for Security & Support, leading to an overall score of 9.08.

TopTenReviews also listed Connexus as its top recommendation for high-yield checking accounts, citing Connexus’ Xtraordinary Checking Account as the best around.

Connexus’ mission is to help members achieve their personal financial objectives by anticipating their needs and exceeding their expectations with superior service and products. The competitive rates, top-tier security, and unmatched service helped Connexus earn the Gold Award as the Best Online-Only Financial Institution of 2017.
